Article IV. Grievance Procedure

Purpose

The purpose of this procedure is to secure at the lowest possible administrative level, equitable solutions to grievances which may from time to time arise. Both parties agree that these proceedings shall be kept as informal and confidential as may be appropriate at any level of the procedure.

Procedure

Since it is important that grievances be processed as rapidly as possible, the number of days indicated at each level should be kept at a minimum and every effort should be made to expedite the process. The time limit specified may, however, be extended by mutual agreement. In the event a grievance is filed on or after April 1st which, if left unresolved until the beginning of the following school year, could result in irreparable harm to the party of interest, the time limits set forth herein shall be

reduced to one-half rounded to the nearest day so that the grievance procedure may be completed prior to the end of the school year or as soon thereafter as practical.

Grievance Steps

Level One: A grievance shall be first discussed with the principal or immediate supervisor of an employee as may be appropriate with the intent of resolving the matter informally. However, before an aggrieved employee can move on to Level Two, he/she must first submit to the principal or immediate supervisor a written statement on the grievance form. The principal or immediate supervisor shall have a period of not less than 5 working days during which to hold a conference with the grievant. Following the conference, but not later than 5 working days from the date of the filing of the grievance, the principal or the immediate supervisor shall tender a written response to the grievant.

Level Two: If the grievance is not satisfactorily resolved at Level One within 5 working days after the grievant filed a written grievance, the grievant may submit the written grievance to the office of the superintendent. The superintendent or designee shall schedule and hold a conference relative to such grievance within 10 working days of receipt of such grievance. Within 5 working days of such meeting, the superintendent or designee shall communicate in writing a decision to the grievant.

Level Three: If a grievance is not satisfactorily resolved at Level Two within 10 working days after the grievance was filed at Level Two, the grievant may submit the written grievance to the School Board. The School Board shall schedule and hold a conference relative to such grievance within 10 working days of receipt of such grievance. Within 5 working days of such meeting, the School Board shall communicate in writing a decision to the grievant.

Rights and Representation

No reprisals of any kind shall be taken of either party or by any member thereof against a party of interest, or any other participant in the grievance procedure by reason of such participation.

Any party of interest may be represented at all stages of this procedure by a person(s) of his/her choosing. When any employee is not represented by the Association, the Association shall have the right to be present and to state its views, and in all cases where it is present, the Association shall be further entitled to receive a copy of any written decisions rendered by the employer.

Miscellaneous

If, in the judgment of the Association, the grievance affects a group or class of employees, it may submit such grievance to commence at Level Two.

All documents, communications, and records dealing with the processing of a grievance shall be filed separately from the personnel file of the participants.

The grievant shall be informed at least 10 working days in advance of any scheduled meeting herein, but may agree to waive such time consideration to expedite the meeting at any earlier date.

The employee shall furnish the Association with such information as is necessary for the processing of the grievance.

Should an employee or any Association representative be required by the employer's scheduling to be absent from his/her regular assignment for the execution of this grievance procedure, he/she shall be released without loss of pay or benefits.

All written communications required herein shall be served personally or by registered (certified) U. S. mail.

Article V. Duration Clause

The effective dates of this master agreement shall be from July 1, 2015 to June 30, 2016.

Petitioning by a representative organization or the School Board shall occur no later than February 15, 2016 if a representative organization or the School Board wishes to enter into negotiations or the contract becomes automatically renewed.

Article VI. Saving Clause

Should any article, section, or clause of this master agreement be declared illegal by a court of competent jurisdiction, said article, section, or clause, as the case may be, shall be automatically deleted from this agreement to the extent that it violates the law. The remaining articles, sections and clauses shall remain in full force and effect for the duration of the agreement if not affected by the deleted article, section or clause.
