I authorize the State of North Dakota, its agencies or political subdivisions, to deduct from my earnings dues and other contributions unless I have selected an alternative pay method. If for any reason my employment is terminated prior to August 31, my dues obligation will cease. I understand that the annual dues for continuing membership are subject to change. The notes on the reserve side are incorporated into this application.

**NUMERIC CITATIONS (from front)**

**1. Ethnicity** — Ethnic minority information is optional, and failure to provide it will in no way affect your membership status, rights or benefits in National Education Association (NEA), American Federation of Teachers (AFT) or North Dakota United (NDU), or any of its affiliates. The information will be kept confidential. This data is collected to ensure ethnic minority guarantees in the governance of NDU.

**2. Position Code**

**3. Subject Code**

**4. Hire Date** — The month and year you were first employed in your current school district.

**5. State and National Dues** — Includes membership in NDU, NEA and AFT. State dues include a \$1 assessment for the NDU Foundation; an assessment to market public relations (Active, \$7; Retired, \$7; and Student, \$1) and a \$1 assessment for the NDU Disaster Relief fund.

**6. United PAC**—A \$10 contribution to United PAC is included as part of the “Every Member Option.” A member may contribute more than the amount printed. A member not wishing to contribute to United PAC should initial the appropriate statement.

**7. NEA FCPE/United PAC**—The NEA Fund for Children and Public Education (NEA FCPE) and the United Political Action Committee (UPAC) collect voluntary contributions from Association members that are used for political purposes, including, but not limited to, making contributions to and expenditures on behalf of friends of public education and public service, who are candidates for federal, state and local office. Only U.S. citizens or lawful permanent residents may contribute to these funds. Contributions to these funds are voluntary. Making a contribution is neither a condition of employment nor membership in the Association, and members have the right to refuse to contribute without suffering any reprisal. A member may contribute more or less than the suggested amount, or may contribute nothing at all, without affecting his or her membership status, rights or benefits in NEA, NDU, AFT or any other affiliates. Contributions to these funds are not deductible as charitable contributions for federal income tax purposes. Federal law requires NDU to use our best efforts to collect and report the name, mailing address, occupation, and name of employer for each individual whose contributions aggregate in excess of \$200 in a calendar year. Should you choose to make an additional contribution, you are attesting that you understand that you are making a joint contribution to the NEA Fund and UPAC, and that 20% of your contribution will be given to the NEA Fund and that 80% will be given to the UPAC.

**8. The NDU Foundation** — Contribute to a 501(c)(3) charity that provides scholarships to members and their dependents, and grants to current members.

Determine the member’s annual salary and determine the dues based on the above chart. Enter the dues amount on the front of this form.
