### **Luci Terry Awarded NDU Member Grant**

BISMARCK, N.D. – Luci Terry, of Fargo, N.D., has been awarded the NDU Member Grant from the North Dakota United Foundation for the 2015-16 year. Terry will receive a cash award of \$1,000 for purchasing additional iPads for her classroom. These additional devices will enable her special-needs students to be actively engaged.

Terry is a special education teacher at Freedom Elementary School in West Fargo. She is an active member of NDU's affiliate, the West Fargo Education Association, and is working toward a master's degree in Special Education.

North Dakota United is the state's largest union of public educators and employers. Membership includes over 11,000 K-12 school teachers and support staff, higher education faculty and staff, city, county and state employees, retirees and students pursuing a degree in education. The purpose of the NDU Foundation is to promote educational excellence and quality public service in North Dakota. The Foundation's goal is to aid educators, public servants and students in achieving greater educational success. The Foundation accomplishes this by providing grants and scholarships to individual educators, public servants and college students, to use toward continuing education and developing skills.
